

PHYSICIAN WRITTEN OPINION

Instructions for Completion

Send a copy of this form letter with the employee to the treating physician in the following circumstances:

- Hepatitis B vaccination
- Post exposure evaluation and treatment

The evaluating physician is to return the Written Opinion no later than 15 days from the visit in order for copy to be provided to the employee. Follow-up with the physician if not received.

Bloodborne Pathogen Regulation 1910.1030

(5) Healthcare Professional's Written Opinion. The employer shall obtain and provide the employee with a copy of the evaluating healthcare professional's written opinion within 15 days of the completion of the evaluation.

(i) The healthcare professional's written opinion for Hepatitis B vaccination shall be limited to whether Hepatitis B vaccination is indicated for an employee, and if the employee has received such vaccination.

(ii) The healthcare professional's written opinion for post-exposure evaluation and follow-up shall be limited to the following information:

(A) That the employee has been informed of the results of the evaluation; and

(B) That the employee has been told about any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

(iii) All other findings or diagnoses shall remain confidential and shall not be included in the written report.
